HISTORICAL EPITAPHS

William Freame

This is a transcription of a book written by historian William Freame first published in 1918. It includes the inscriptions of headstones from Liverpool and Smithfield Cemeteries and his comments on old Liverpool families and identities he knew.

The headstones cover the years 1813 - 1917.

Full colour photographs of the headstones (with the exception of seven that could not be found) are included.

Price: \$15.00 plus \$3.00 postage

Payment by Direct Debit, see details on our website under Membership or by cheque to Society, details inside front cover
